Come experience Spoondrift. Our journey began at the Sanibel Island farmers market where we introduced a food loving community to our delicious island bowls.

What is poké? (pronounced 'po-kay') The origin of poké is Hawaiian, and is any seafood or meat cut into cubes. But that's just the beginning.

At Spoondrift, we offer a "create it your way" selection of bowls using your choice of delicious bases, a huge variety of proteins, fresh veggies, crispy toppings, sweet and savory sauces, and more!

Each bowl is prepared by hand, quickly and with care right before your eyes by our amazing chefs to create a one-of-a-kind Spoondrift experience to satisfy your unique taste. **Discover a wave of fresh food!**

experience freshness and flavors that are simply over the top
